- Fixed stand
- Factory fitted, adjustable castors
- Fixed installation kit

Similar Models

- E3121 4HP boiling top
- E3122 2HP boiling top
- E9084 4HP boiling top

INSTALLATION NOTE

Adequate ventilation must be provided to supply sufficient fresh air and to allow easy removal of any such products that may present a risk to health. Please consult current legislation for details that relate to specific locations.

Install unit on a level, fireproof surface in a well-lit position. If floor is made of a combustible material, local fire requirements must be checked to ensure compliance.

A clearance of 150mm should be observed between appliance and any combustible wall.
